

REMARKS

Applicants note that the last paragraph on page 39, beginning at line 30, in the Brief Description of the Drawings, refers to a Figure 8, but that no Figure 8 is otherwise referenced in the specification, and no Figure 8 was filed with either the parent of this Application or this Application.

Because Applicants are neither contending that the omitted item (Figure 8 referenced in the specification) was filed with the Application papers, nor supplying the putatively missing items, Applicants believe that no petition fee is necessary. If, however, Applicants are incorrect in that belief, then please charge any fees associated with the submission of this paper to Deposit Account Number 033975. The Commissioner for Patents is also authorized to credit any over payments to the above-referenced Deposit Account.

Respectfully submitted,
